

Papyrus benchmark page 1 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 2 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 3 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 4 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 5 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 6 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 7 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 8 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 9 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 10 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 11 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurements

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 12 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 13 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 14 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 15 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 16 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 17 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 18 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 19 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 20 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 21 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 22 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 23 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 24 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 25 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 26 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 27 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 28 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 29 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 30 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 31 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 32 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 33 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 34 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 35 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 36 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 37 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 38 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 39 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 40 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 41 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 42 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 43 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 44 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 45 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 46 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 47 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 48 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 49 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 50 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 51 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 52 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 53 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 54 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 55 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 56 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 57 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 58 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 59 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 60 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 61 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 62 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 63 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 64 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 65 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 66 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 67 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 68 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 69 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 70 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 71 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 72 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 73 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 74 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 75 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 76 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 77 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 78 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 79 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 80 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 81 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 82 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 83 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 84 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 85 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 86 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 87 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 88 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 89 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 90 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 91 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 92 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 93 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 94 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 95 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 96 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 97 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 98 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 99 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 100 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 101 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 102 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 103 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 104 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 105 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 106 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 107 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 108 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 109 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 110 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 111 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 112 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 113 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 114 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 115 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 116 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 117 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 118 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 119 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 120 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 121 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 122 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 123 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 153 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 154 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 155 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 156 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 157 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 158 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 159 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 160 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 161 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 162 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 163 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 164 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 165 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 166 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 167 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 168 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 169 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 170 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 171 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 172 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 173 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 174 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 175 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 176 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 177 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 178 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 179 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 180 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 181 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 182 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 183 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 184 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 185 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 186 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 187 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 188 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 189 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 190 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 191 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 192 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 193 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 194 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 195 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 196 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 197 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 198 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 199 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 200 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 201 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 202 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 203 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 204 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 205 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 206 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 207 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 208 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 209 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 210 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 211 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 212 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 213 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 214 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 215 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 216 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 217 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 218 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 219 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 220 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 221 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 222 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Search token: papyrus-benchmark-13

Papyrus benchmark page 303 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 304 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 305 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 306 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 307 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 308 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 309 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 310 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 311 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 312 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 313 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 314 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 315 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 316 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 317 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 318 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 319 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 320 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 321 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 322 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 323 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 324 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 325 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 326 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 327 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 328 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 329 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 330 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 331 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 332 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 333 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 334 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 335 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 336 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 337 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 338 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 339 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 340 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 341 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 342 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 343 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 344 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 345 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 346 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 347 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 348 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 349 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 350 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 351 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 352 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 353 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 354 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 355 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 356 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 357 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 358 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 359 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 360 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 361 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 362 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 363 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 364 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 365 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 366 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 367 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 368 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 369 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 370 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 371 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 372 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Search token: papyrus-benchmark-10

Papyrus benchmark page 453 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 454 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 455 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 456 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 457 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 458 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 459 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 460 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 461 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 462 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 463 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 464 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 465 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 466 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 467 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 468 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 469 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 470 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 471 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 472 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 473 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 474 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 475 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 476 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 477 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 478 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 479 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 480 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 481 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 482 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 483 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 484 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 485 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 486 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 487 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 488 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 489 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 490 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 491 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 492 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 493 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 494 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 495 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 496 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 497 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 498 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 499 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 500 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 501 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 502 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 503 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 504 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 505 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 506 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 507 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 508 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 509 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 510 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 511 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 512 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 513 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 514 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 515 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 516 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 517 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 518 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 519 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 520 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 521 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 522 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 523 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 524 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 525 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 526 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 527 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 528 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Search token: papyrus-benchmark-7

Papyrus benchmark page 603 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 604 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 605 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 606 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 607 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 608 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 609 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 610 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 611 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 612 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 613 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 614 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 615 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 616 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 617 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 618 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 619 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 620 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 621 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 622 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 623 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 624 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 625 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 626 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 627 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 628 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 629 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 630 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 631 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 632 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 633 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 634 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 635 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 636 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 637 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 638 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 639 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 640 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 641 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 642 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 643 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 644 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 645 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 646 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 647 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 648 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 649 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 650 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 651 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 652 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 653 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 654 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 655 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 656 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 657 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 658 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 659 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 660 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 661 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 662 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 663 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 664 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 665 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 666 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 667 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 668 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 669 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 670 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 671 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 672 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 673 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 674 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 675 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 676 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 677 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Search token: papyrus-benchmark-4

Papyrus benchmark page 753 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 754 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 755 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 756 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 757 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 758 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 759 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 760 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 761 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 762 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 763 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 764 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 765 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 766 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 767 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 768 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 769 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 770 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 771 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 772 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 773 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 774 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 775 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 776 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 777 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 778 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 779 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 780 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 781 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 782 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 783 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 784 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 785 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 786 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 787 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 788 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 789 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 790 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 791 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 792 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 793 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 794 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 795 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 796 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 797 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 798 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 799 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 800 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 801 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 802 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 803 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 804 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 805 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 806 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 807 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 808 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 809 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 810 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 811 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 812 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 813 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 814 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 815 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 816 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 817 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 818 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 819 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 820 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 821 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 822 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 823 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 824 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 825 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 826 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 827 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 828 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 829 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 830 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 831 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 832 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 833 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Search token: papyrus-benchmark-1

Papyrus benchmark page 903 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 904 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 905 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 906 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 907 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 908 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 909 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 910 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 911 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 912 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 913 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 914 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 915 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 916 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 917 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 918 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 919 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 920 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 921 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 922 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 923 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 924 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 925 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 926 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 927 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 928 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 929 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 930 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 931 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 932 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 933 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 934 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 935 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 936 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 937 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 938 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 939 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 940 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 941 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 942 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 943 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 944 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 945 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 946 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 947 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 948 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 949 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 950 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 951 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 952 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 953 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 954 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 955 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 956 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 957 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 958 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 959 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 960 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 961 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 962 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 963 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 964 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 965 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 966 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 967 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 968 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 969 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 970 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 971 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 972 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 973 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 974 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 975 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 976 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 977 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 978 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 979 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 980 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 981 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 982 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 983 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 984 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 985 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 986 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 987 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 988 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 989 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 990 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 991 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 992 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 993 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 994 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 995 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 996 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 997 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 998 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 999 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 1000 of 1000

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.
