

Papyrus benchmark page 1 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 2 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 3 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 4 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 5 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 6 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 7 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 8 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 9 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 10 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 11 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 12 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 13 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 14 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 15 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 16 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 17 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 18 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 19 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 20 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 21 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 22 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 23 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 24 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 25 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 26 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 27 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 28 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 29 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 30 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 31 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 32 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 33 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 34 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 35 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 36 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 37 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 38 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 39 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 40 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 41 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 42 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 43 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 44 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 45 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 46 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 47 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 48 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 49 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 50 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 51 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 52 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 53 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 54 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 55 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 56 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 57 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 58 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 59 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 60 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 61 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 62 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 63 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 64 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 65 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 66 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 67 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 68 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 69 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 70 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 71 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 72 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 73 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 74 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 75 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 76 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 77 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 78 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 79 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 80 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 81 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 82 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 83 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15

Papyrus benchmark page 84 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-16

Papyrus benchmark page 85 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-0

Papyrus benchmark page 86 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-1

Papyrus benchmark page 87 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-2

Papyrus benchmark page 88 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-3

Papyrus benchmark page 89 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-4

Papyrus benchmark page 90 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-5

Papyrus benchmark page 91 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-6

Papyrus benchmark page 92 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-7

Papyrus benchmark page 93 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-8

Papyrus benchmark page 94 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-9

Papyrus benchmark page 95 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-10

Papyrus benchmark page 96 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-11

Papyrus benchmark page 97 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-12

Papyrus benchmark page 98 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-13

Papyrus benchmark page 99 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-14

Papyrus benchmark page 100 of 100

Synthetic text-only PDF generated locally for repeatable engine measurement

Rust core candidate: parsing, text extraction, search and outline.

Search token: papyrus-benchmark-15
